## **INDEPENDENT AUDITORS' REPORT**

To the Board of Trustees of  
MHP Salud

### **Opinion**

We have audited the accompanying financial statements of MHP Salud (the "Organization"), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2021, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards (Government Auditing Standards)*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users on the basis of these financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Report on Summarized Comparative Information**

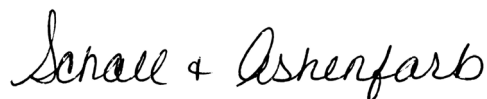

We have previously audited the Organization's 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 12, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

## **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 11, 2022, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

**MHP SALUD**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021**

**Note 1 - Organization**

MHP Salud (the “Organization”) is a nonprofit organization that implements community health worker programs to empower underserved Latino communities and promote culturally appropriate strategies to improve its client’s health and well-being. The Organization conducts activities nationally and implements community-based programs in Florida and Texas. These programs provide peer health education, increased access to health resources and brings community members together with health providers, employers and policymakers to create positive change. The Organization’s community leaders provide the inspiration, direction, and vision necessary to build stronger and healthier communities from within.

For the year ended December 31, 2021, the Organization used funding from the following grants:

1. U.S. Department of Health and Human Services - Tech Assist to Community & Migrant Health Centers & Homeless/Capacity Building Assistance (2020-2021)
2. U.S. Department of Health and Human Services - Tech Assist to Community & Migrant Health Centers & Homeless/Capacity Building Assistance (2021-2022)
3. U.S. Department of Health and Human Services - Navigator (2020-2021)
4. U.S. Department of Health and Human Services - Navigator (2021-2022)
5. U.S. Department of Health and Human Services - Special Programs for the Aging (2020-2021)
6. U.S. Department of Health and Human Services - Special Programs for the Aging (2021-2022)
7. U.S. Department of Health and Human Services - Connecting Kids to Coverage (2020-2021)
8. U.S. Department of Health and Human Services - Connecting Kids to Coverage (2021-2022)
9. U.S. Department of Health and Human Services - Substance Abuse and Mental Health Services Projects of Regional and National Significance
10. U.S. Department of Health and Human Services - Evidence-Based Falls Prevention Programs Financed Solely by Prevention and Public Health Funds (PPHF)
11. Texas Health and Human Services Commission – SNAP ED
12. Valley Baptist Legacy Foundation - Healthy Outcome - Life Stages
13. Blue Cross Blue Shield of Texas Foundation - Health Outcome, Healthy Living
14. Johnson & Johnson - Community Health Workers Training
15. Florida Blue Foundation - Health Outcome, Life Stages

The Organization has been notified by the Internal Revenue Service that it is a not-for-profit entity exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code and has not been determined to be a private foundation.

## Note 2 - Significant Accounting Policies

### a. Basis of Accounting

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting which is the process of recording revenue and expenses when earned or incurred rather than when received or paid.

### b. Basis of Presentation

The Organization's net assets are classified based upon the existence or absence of donor-imposed restrictions as follows:

- *Net Assets Without Donor Restrictions* – represents those resources for which there are no restrictions by donors as to their use.
- *Net Assets With Donor Restrictions* – represents those resources, the uses of which have been restricted by donors to specific purposes or the passage of time and/or must remain intact, in perpetuity. The release from restrictions results from the satisfaction of the restricted purposes specified by the donor.

### c. Revenue Recognition

The Organization follows the requirements of the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 958-605 for recording contributions, which are recorded at the earlier of when cash is received or at the time a pledge becomes unconditional in nature. Contributions are recorded in one of the classes of net assets described above, depending on the existence and/or nature of any donor-imposed restriction. When a restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions. If donor restricted contributions are satisfied in the same period they are received, they are classified as without donor restrictions.

The Organization records unconditional promises to give as revenue in the period received at net realizable value if expected to be received within one year or at fair value using risk adjusted present value techniques if material and expected to be received after one year. Of the total contributions receivable, \$ 309,521 is expected to be collected within one year and \$166,955 is expected to be collected in two to five years. Due to its immaterial nature, no discount to present value has been taken.

Contributions and grants may be subject to conditions which are defined as both a barrier to entitlement and a right of return of payments, or release from obligations, and are recognized as income once the conditions have been substantially met.

Government grants received by the Organization are primarily conditional, non-exchange transactions and fall under the scope of FASB ASC 958-605. Revenue from these transactions is recognized when qualifying expenditures are incurred, performance related outcomes are achieved, and other conditions under the agreements are met. Payments received in advance of conditions being met are recorded as deferred revenue.

Conditional grants that have not been recognized amounted to \$4,460,488 and \$2,340,023 as of December 31, 2021 and December 31, 2020, respectively. These grants are conditioned upon incurring qualifying expenses, at which time revenue will be recognized.

The Organization follows FASB ASC 606 for recognizing revenue from contracts with customers. Training and consulting services for community health worker programs fall under the scope of FASB ASC 606 and have been included with program fee income in the statement of activities. Revenue is recognized as the performance obligation is satisfied and services are provided.

Training and consulting services fees that have yet to be collected at year end are reflected as accounts receivable; whereby, fees collected in advance of being earned are reflected as deferred revenue.

Based on a review of outstanding receivables and historical experience, management expects all receivables to be collected and has not established an allowance for doubtful accounts. Write-offs, if any, will be recorded as expenses in the year they are deemed to be uncollectible.

d. Cash and Cash Equivalents

The Organization considers all liquid investments with an initial maturity of three months or less to be cash and cash equivalents.

e. Concentration of Credit Risk

Financial instruments that potentially subject the Organization to a concentration of credit risk consist of cash and money market accounts which are placed with financial institutions that management deems to be creditworthy. At year end and at various times throughout the year, balances were in excess of insured amounts. The Organization did not suffer any losses due to bank failure.

f. Management Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

g. Fixed Assets

Equipment and furniture that exceed \$2,000 and that have a useful life of greater than one year are recorded at cost or at fair value at the date of gift. Depreciation is computed using the straight-line method over the estimated useful life of the respective asset as follows:

Computer equipment – 5 years

Furniture and fixtures – 5 years

Leasehold improvements – 5 years

Fixed assets were fully depreciated at December 31, 2021 and 2020.

h. Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the financial statements. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

The following expenses were allocated using time and effort as the basis:

- Salaries
- Employee benefits

All other expenses have been charged directly to the applicable program or supporting services.

i. Advertising

Advertising costs are expensed as incurred.

j. Donated Goods and Services

Donated services are recognized in circumstances where the service creates or enhances a non-financial asset or where those services require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided in-kind.

Board members and other individuals volunteer their time and perform a variety of services that assist the Organization. These services do not meet the criteria outlined above and have not been recorded in the financial statements.

k. Accounting for Uncertainty of Income Taxes

The Organization does not believe its financial statements include any material, uncertain tax positions. Tax filings for periods ending December 31, 2018 and later are subject to examination by applicable taxing authorities.

l. Summarized Comparative Financial Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2020, from which the summarized information was derived.

m. New Accounting Pronouncements

FASB issued Accounting Standards Update ("ASU") No. 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which becomes effective for the December 31, 2022 year. This ASU focuses on improving transparency in the reporting of contributed nonfinancial assets and requires a separate line-item presentation on the statement of activities and additional disclosures.

In addition, FASB issued ASU No. 2016-02, *Leases*. The ASU which becomes effective for the December 31, 2022 year, requires the full obligation of long-term leases to be recorded as a liability with a corresponding "right to use asset" on the statement of financial position.

Management is in the process of evaluating the impact these standards will have on future financial statements.

**Note 3 - Net Assets With Donor Restrictions**

Activity in the class of net assets with donor restrictions is as follows:

	December 31, 2021			
	Beginning Balance <u>1/1/21</u>	<u>Contributions</u>	Released from <u>Restrictions</u>	Ending Balance <u>12/31/21</u>
Program restricted:				
Healthy Outcomes	\$513,445	\$400,000	(\$315,604)	\$597,841
Community Health Workers Training	<u>150,000</u>	<u>0</u>	<u>(150,000)</u>	<u>0</u>
Total program restricted	<u>\$663,445</u>	<u>\$400,000</u>	<u>(\$465,604)</u>	<u>\$597,841</u>
	December 31, 2020			
	Beginning Balance <u>1/1/20</u>	<u>Contributions</u>	Released from <u>Restrictions</u>	Ending Balance <u>12/31/20</u>
Program restricted:				
Healthy Outcomes	\$0	\$513,445	\$0	\$513,445
Community Health Workers Training	<u>0</u>	<u>150,000</u>	<u>0</u>	<u>150,000</u>
Live a Fulfilling Life	150,000	0	(150,000)	0
Strong Minds, Firm Steps	<u>206,828</u>	<u>0</u>	<u>(206,828)</u>	<u>0</u>
Total program restricted	<u>\$356,828</u>	<u>\$663,445</u>	<u>(\$356,828)</u>	<u>\$663,445</u>

**Note 4 - Operating Leases**

The Organization has offices in Texas and Michigan under non-cancelable leases that expire at various dates through December 31, 2023.

Minimum future obligations for all commitments are as follows:

Year ending:	December 31, 2022	\$40,800
	December 31, 2023	<u>7,800</u>
Total		<u>\$48,600</u>

Total rent expense was \$43,515 and \$53,220 for the years ended December 31, 2021 and 2020, respectively.

**Note 5 - Retirement Plan**

The Organization maintains a 401(k) retirement plan with both employer and employee contributions. The Organization's contributions to the retirement plan totaled \$279,457 and \$228,567 for the years ended December 31, 2021 and 2020, respectively.

**Note 6 - Significant Concentrations**

Approximately 67% and 56% of public support was received from one government agency during the years ending December 31, 2021 and 2020, respectively.

In addition, two foundations had receivable balances that consisted of 100% of contributions receivable as of December 31, 2021 and one foundation had a receivable balance that consisted of 78% of contributions receivable as of December 31, 2020. One government agency had a receivable balance that consisted of 63% and 66% of government grants receivable as of December 31, 2021 and 2020, respectively.

**Note 7 - Availability and Liquidity**

Financial assets at December 31, 2021 available to meet cash needs for general expenditures within one year are as follows:

Cash and cash equivalents	\$531,961	
Government grants receivable	791,953	
Contributions receivable	<u>476,476</u>	
Total financial assets		\$1,800,390
Less amounts not available to be used within one year:		
Program restricted contributions		<u>(597,841)</u>
Financial assets available to meet cash needs for general expenditures within one year		<u>\$1,202,549</u>

The Organization regularly monitors liquidity to meet its operating needs. The Organization attempts to operate within a balanced budget and anticipates collecting sufficient revenue from current year and future year government and other grants to cover general expenditures.

**Note 8 - Subsequent Events**

Subsequent events have been evaluated through June 11, 2022, the date the financial statements were available to be issued. Adjustments and disclosures have been made for all subsequent events that have occurred.

**Note 9 - Other Matters**

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an impact on the economies and financial markets of many countries, including the geographical area in which the Organization operates. As of the date of these financial statements, many of the travel restrictions and stay at home orders have been lifted; however, supply chains remain impacted. Management continues to monitor the outbreak; however, as of the date of these financial statements, the potential impact cannot be quantified.

**MHP SALUD**  
**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**DECEMBER 31, 2021**

**Note 1 - Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of MHP Salud (the "Organization") under programs of the federal government for the year ended December 31, 2021. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

**Note 2 - Summary of Significant Accounting Policies**

Expenditures reported on the Schedule of Expenditures of Federal Awards are presented on the accrual basis of accounting. Such expenditures are recognized following the cost principals contained in OMB's *Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Under federal cost principles, certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

**Note 3 - Sub-Recipients**

There were no amounts provided to subrecipients from Federal awards received during the year ended December 31, 2021.

**Note 4 - Indirect Cost Rate**

The Organization has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance as it has a negotiated indirect cost rate.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS.**

**INDEPENDENT AUDITORS' REPORT**

To the Board of Trustees of  
MHP Salud

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of MHP Salud (the "Organization") which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated June 11, 2022.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

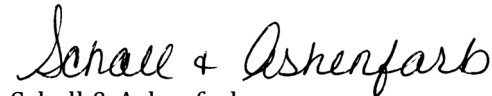

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON  
INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM  
GUIDANCE**

**INDEPENDENT AUDITORS' REPORT**

To the Board of Trustees of  
MHP Salud

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited MHP Salud's (the "Organization") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2021. The Organization's major federal programs are identified in the Summary of Auditors' Results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

## ***Auditors' Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

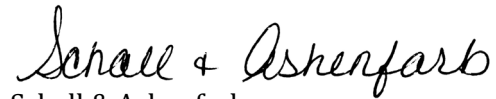

## **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
